

Evaluation Report for: Hima Nitesh Telaprolu

Role: DevOps Engineer

Candidate Overview

- Full Name: Hima Nitesh Telaprolu
- Total Years of Professional Experience: 3.3 years
- Current Job Designation: DevOps Engineer

Candidate Stability

- No significant red flags noted; employment history appears stable with continuous roles at ValueMomentum.

Result

Suitability Assessment:

- Match Level: Potential Match (meets key but lacks some)
- Suitability Percentage: 75%
- Recommendation: Rejected due to skill gaps in IaC, monitoring tools, security practices, and lack of preferred certifications.

Status: Shortlisted (75% Matching With JD)
